Neville High School offers an environment in which the mind may develop and mature not only through the outstanding curricula offered but also through the numerous extra-curricular activities available. The objective of the Neville student is to learn to balance, as if on a scale, his curricular and extra-curricular activities in order that he might derive the fullest benefits from each area.

Under the superb guidance of the administration and faculty, the Neville student strives to enrich himself in body, mind, and spirit with an education that will prepare him for life. Following a great tradition, Neville offers the student a variety of both academic and elective subjects from which to choose. The curricular life of the Neville student is the abundant source from which the streams of extra-curricular activities flow. Through participation in the many school-supported activities, the student learns to value sportsmanship and "followship" and to assume the responsibility of leadership in his school and community. To observe, to think, to accomplish, to enjoy—these are the objectives of a balanced scale of education.

What makes Neville something special? It's not the football team, or the cheering squad, or the students, but it is a group of unsung heroes called the Faculty. These are the men and women to whom students turn for inspiration, for guidance, for knowledge and for assistance. They contribute immeasurably to school life not only by teaching the various subjects, but also by sponsoring extracurricular activities, by chaperoning trips, and by assuming various duties at basketball and football games. Dedicated to the idea of preparing teenagers for later life, the faculty members give all they have to offer to the students without receiving adequate recognition.

Miss Genevra Washburn

MRS. MABEL H. HEMPHIL: B.A., Northeast Louisiana State College; M.S., Louisiana State University. Assistant Librarian. Co-sponsor for the Library Club and Student Council.

MISS GENEVRA WASHBURN: B. A., Newcomb College; M.A., Columbia University; B.S., Louisiana State University. Library. Library Club.

Janet Kulinski uses the facilities of the library as she looks for a required book.

Every aspect of school life depends upon the smooth functioning of the library under the direction of Miss Washburn and Mrs. Hemphill. A debate in speech, an evaluation of a book for English, a report for Latin, and other aspects of school life make the library the center of knowledge at Neville. It provides an ideal environment in which the student may casually glance through a popular magazine, may become involved in an intriguing book or may even study for that big test coming up next period.

The library contains literature for every student, from "Macbeth" to "Mandrake the Magician."

Counselors aid students

MISS KATHRYN DOUCIERE: B.S., Louisiana State University. Counselor for Juniors and Seniors.

A service that the Guidance Department performs for the students is providing information on careers. Jennifer Davis looks over the many career bulletins.

Charles Kitchingham looks at the college bulletins kept in the Guidance Department.

The Neville Guidance Department, composed of Miss Douciere and Mr. Lytle, plays a vital role in the preparation of students for that important step after graduation, whether it be college or a vocation. These counselors work untiringly for the best interest of each Neville student by giving good advice on colleges and careers, by helping to plan the high school curriculum, and by offering information on various testing schedules. Students are always welcome to drop by the guidance office to chat with one of the counselors or to browse through the countless bulletins and pamphlets available.

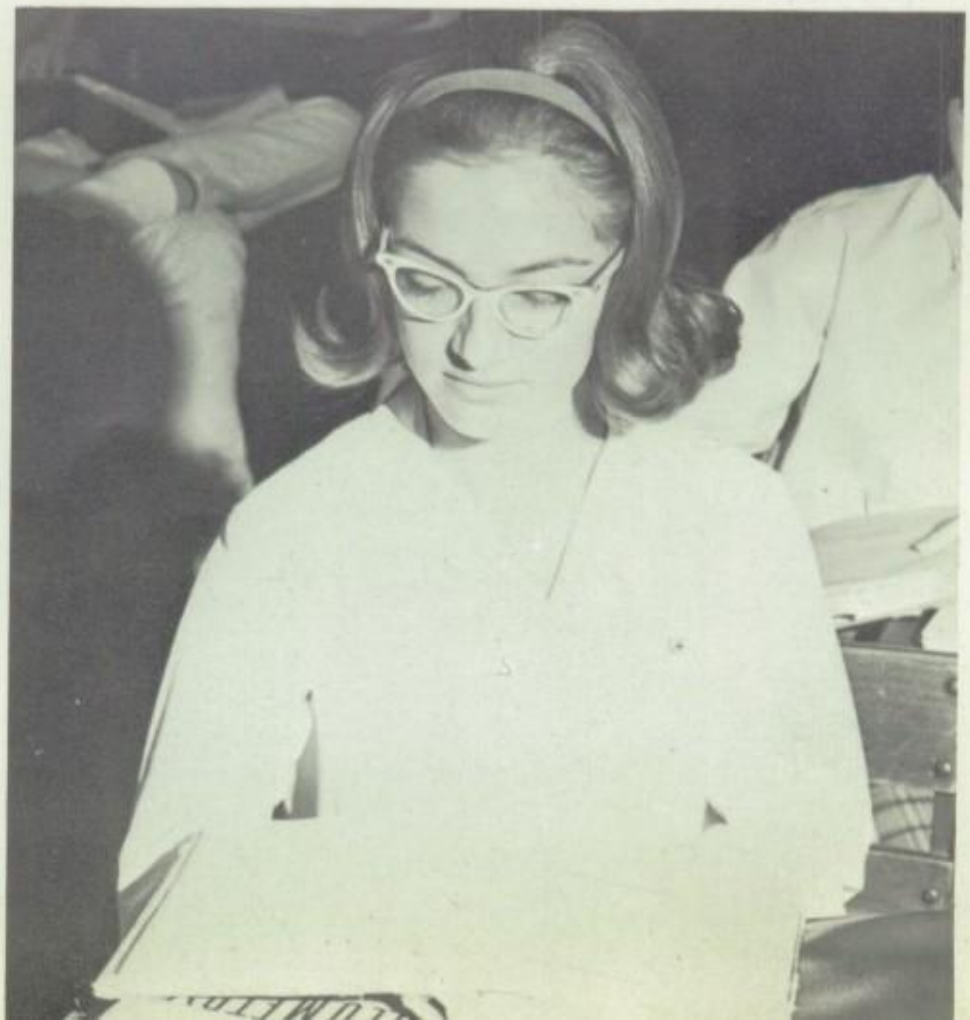
Listening to records of "Julius Caesar" is a big help during this particular phase of literature. Sophomore English student Jennifer Davis tries to follow in the book as she listens intently.



High School English provides an opportunity to master grammar and to study literature. While freshmen have a general introduction to literature, juniors study American literature and seniors, English literature. The student not only becomes familiar with famous works, but also learns to express himself through creative writing.

MATHEMATICS

With the increasing emphasis on science in this modern world, the importance of mathematics has skyrocketed. Neville's excellent mathematics departmnt offers a wide variety of subjects to fit the needs of every student. General Math and Senior Math provide a good overall background in the subject, while such courses as Algebra, Geometry, and Advanced Math stimulate the mind of the student while preparing him for college.

For those students interested in continuing math to the highest level, Advanced Math is offered. Working at the board on some difficult problems are Gayle Crawley and Suzanne Keller.

One of the responsibilities of an American History student is to design a bulletin board. "The Green Beret" is Cheryl Stone's attractive design.

Mr. Hixon lectures to his World History students on the Industrial Revolution.

The various courses offered in social studies acquaint the students at Neville with the different nations of the world, their governments, their history, their people, and their customs. World Geography, a new course at Neville, which deals with the physical features of the continent, enables students to relate the people of a country with their environment. Through the study of World History and American History, students at Neville learn to relate the present to the past and to profit from the mistakes of the older civilization. This study prepares each student for a continually changing world.

Commerce aids students

Sarah Lee will find her knowledge of typing useful in college.

The commerce classes offered at Neville provide excellent practical training to prepare the students for the highly specialized business world of today. Such courses as typing, shorthand, bookkeeping, and accounting not only prepare the students for a successful career, but also greatly help him in college.

In this highly technical age, science has assumed an increasingly important role in the high school curriculum. Such courses as chemistry, physics, and biology provide not only theoretical knowledge, but also also practical application of this knowledge through laboratory sessions. Experimental work encourages independent and creative thinking on the part of science students who learn to apply the scientific method of thinking to every day situations.

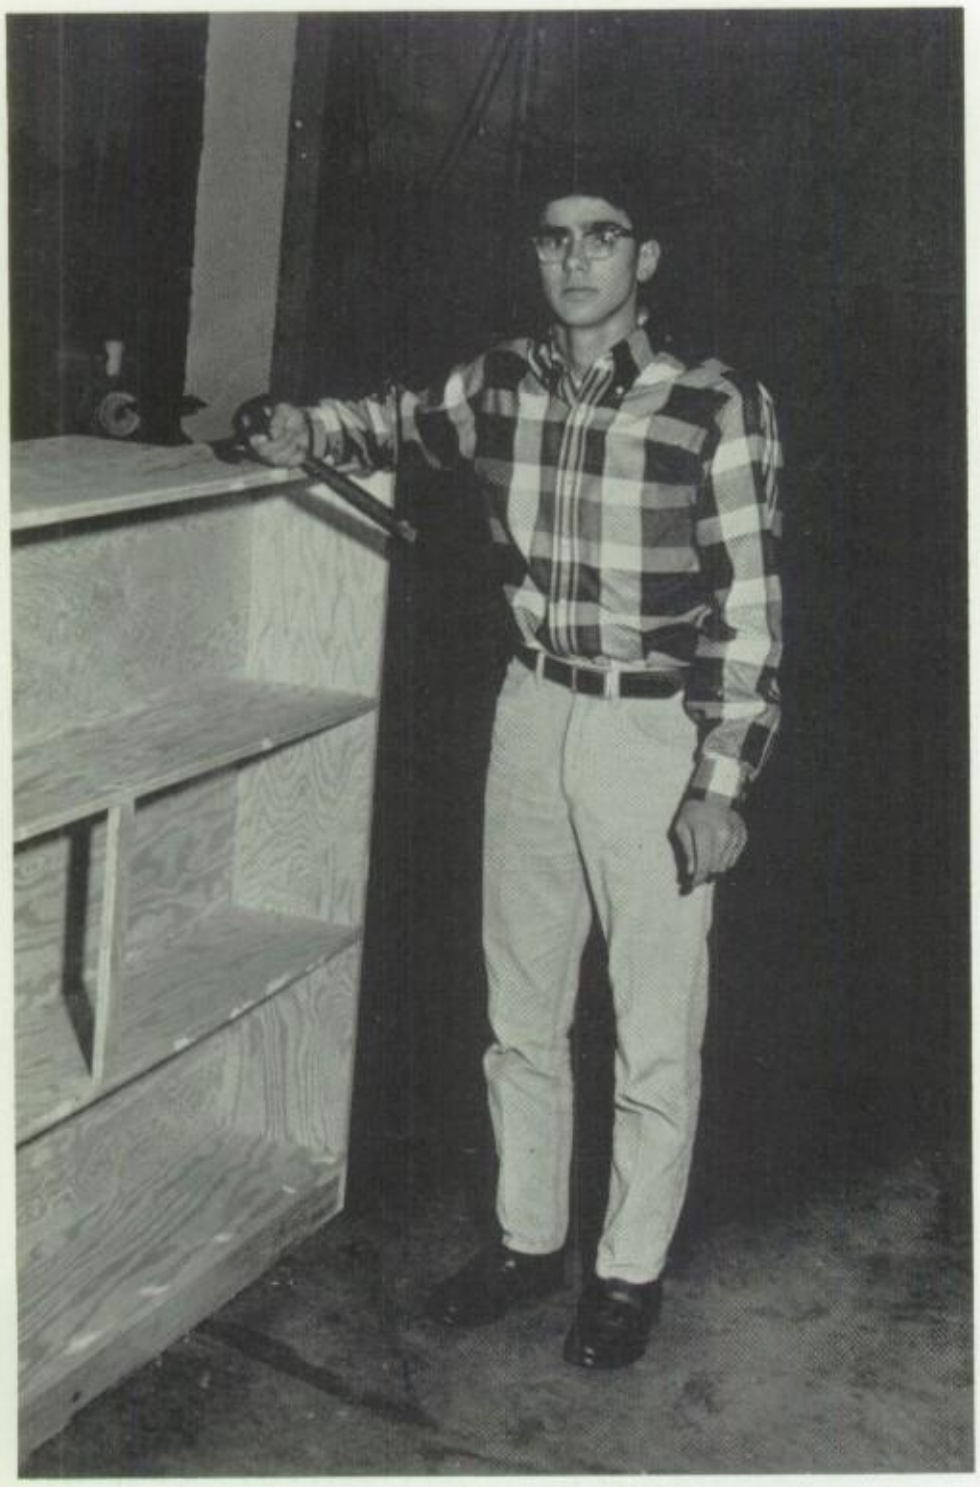
gain practical knowledge

An important unit in Home Economics is the study of food preparation. Patsy Quarles, Eileen Ferguson, and Lee Boudreaux prepare one of their many meals.

Every girl who has taken Home Economics knows that pressing can determine the smooth fit of a garment. Sally Norman practices good sewing habits.

Home Economics turns the girl who "can't boil water" or "thread a needle" into a gourmet turning out a delicacy or a seamstress dashing off a gown that closely resembles a Paris original. On cooking day other students linger at the kitchen door hoping for a sample of the specialty of the day. One highlight of the year is the annual style show in which the students model their own creations produced at a minimum cost. As a result of the efforts of Mrs. Johnson and Mrs. Daniels, most girls become economical homemakers.

Art students learn basic



In these modern days of "pop" and "op" art, one still has to learn the basic principles of color, harmony, and contrast, and what better place is there than Neville's Art Department? Through the excellent arts and crafts courses offered, one can develop a true appreciation for the works of such famous people as Rembrandt and Frank Lloyd Wright. These classes help the individual express himself freely not only in art courses, but in many of his other courses as well. Everyone at Neville truly appreciates the many hours spent by the art department in designing and decorating back-drops for school activities. Under the guidance of Miss Dowling and Mr. McGough perhaps Neville will produce another Van Gogh.

Many school projects are made by Neville's Woodworking Class. Bill Haddad is shown displaying the bookshelves built by the Key Club.

What better way to learn about the culture of another country than by studying its language? One may journey through the streets of Paris, take a visit back in time to the ancient Romans, or take in a bull fight at Madrid only by studying French, Latin, or Spanish, offered at Neville. Imagine how interesting it would be to carry on a fluent conversation with a foreigner in his native tongue. Through the study of foreign language the student not only learns the language itself, but also interesting details about the history, literature, and life of the people as well as a better understanding of our own language. Without their continuous effort, drive, hard work, and their know-how, what kind of teams would Neville have? However, the teams are not the only elements appreciated by the students. These teachers help pupils to be good sports, not only when they win, but also when they lose. Good physical health is essential in order for the mind to function properly in academic subjects.

An extremely valuable asset to Neville is its excellent music department. This department strengthens the appreciation of good music, "the international language", while developing in students an understanding of other cultures as well. Throughout the year the band, orchestra, and chorus share their accomplishments in music with the rest of the student body and with the public through various concerts. Whether the student takes orchestra, band, or chorus, he learns to cooperate with his fellow students as he enjoys the freedom of self-expression.

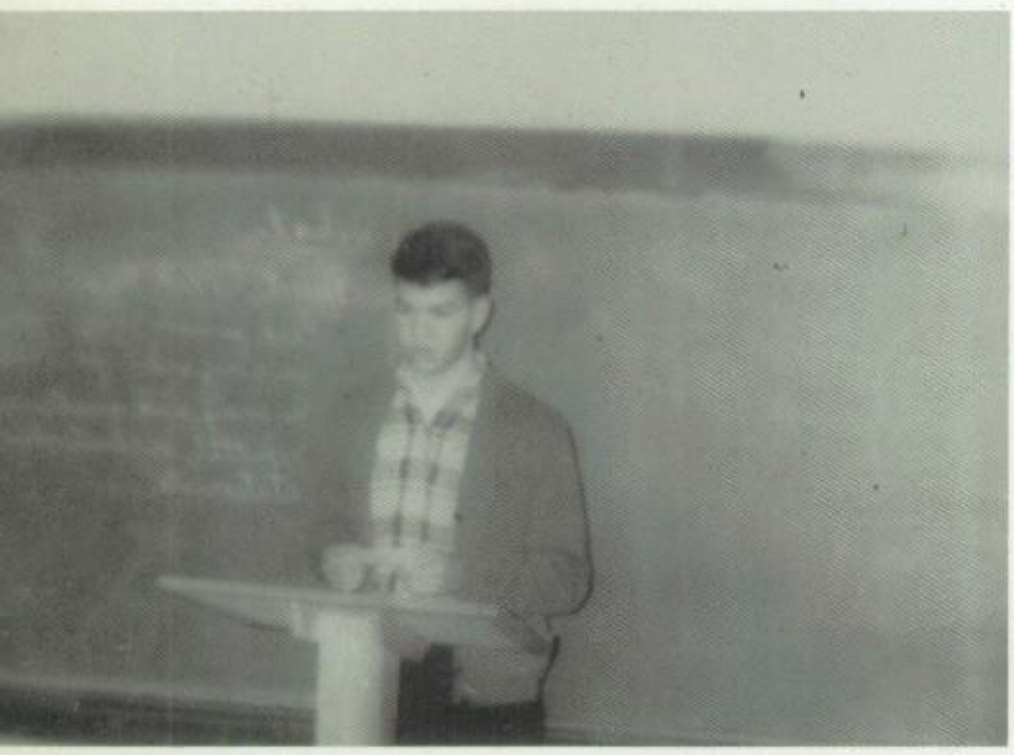
Speech and reading aid in communications

Mrs. Rita Blanchard

Mr. Ronald L. Dubois

One may not believe it, but such famous actors and actresses as Sean Connery, Natalie Wood, Richard Chamberlain, and Julie Andrews probably spent many hours in speech courses much like those at Neville. Speech benefits the student in his later life not only in public speaking or acting, but also in expressing himself and airing his opinions. Students get active practice through debates, readings, and plays. This year Mrs. Blanchard has taken over the speech department as a result of Mr. Lee's promotion to principal. Thanks to her, Neville may have an Oscar winner.

The special reading lab, under the direction of Mr. Dubois, is a non-credit course designed to increase reading speed and comprehension. By improving his reading ability, the student hopes to strengthen his background for other subjects.



Giving after-dinner speech is a requirement of students in Speech I.

MRS. RITA BLANCHARD: B.A., Northeast Louisiana State College. Speech I and II. Debate, Speech Club.

MR. RONALD L. DUBOIS: M.Ed., Louisiana State University; B.A., Louisiana Polytechnic Institute. Reading, Driver Education. Key Club, Student Council.

These three students take advantage of Neville's reading department as they use the projector.

The Staff, the unsung heroes

When all else is quiet at Neville, one can still hear the clacking of typewriter keys or the scratch of pen on paper as Mrs. Hodge, Neville's secretary, fulfills her duties. Also spending much time at Neville is the cafeteria manager, Mrs. Worley, who plans and oversees the preparation and serving of the food in the school cafeteria. Mr. Jones keeps Neville and its campus, one that the students are proud of. These three people are the backbone of Neville High School.

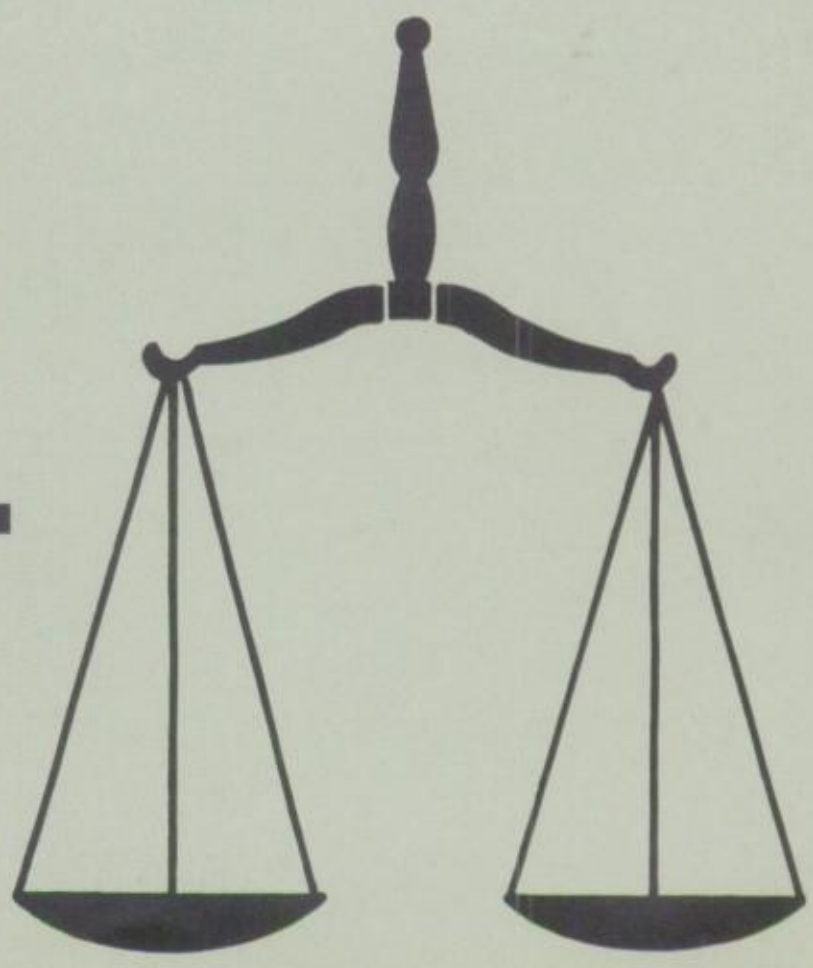
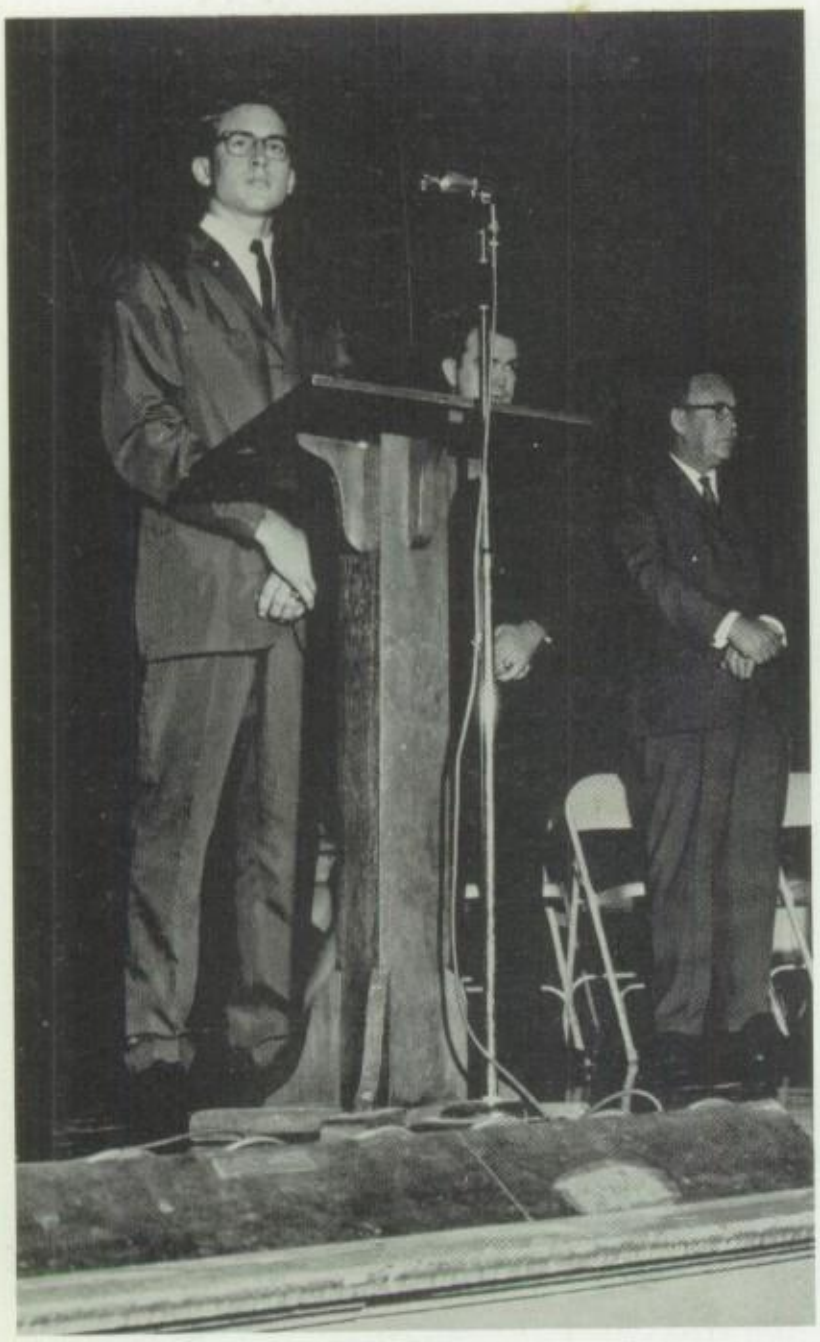
ORGANIZATIONS, CLUBS, ACTIVITIES



Student Council initiates Teacher



The student council president must master the challenge of microphones, speeches, and large crowds early in the school year. One of Nelson Abell's first responsibilities was welcoming the parents to Back-to-School Night.

Student Council officers were *from lef to right first row:* Donna Spargo, Reporter; Cindy Zollinger, Chaplain; Margaret Miles, Secretary; Sally Breard, Historian; Pat Halley, Treasurer; *second row:* Charles Floyd, Parliamentarian; Nelson Abell, President; Fred Amman, Vice-President.

The purpose of the Student Council is to promote better understanding among the administration, the faculty, and the student body.

The Student Council has participated in many activities to raise money for the scholarship which will be awarded to an outstanding Neville student at the end of the year. These activities included the annual talent show, an "Ugliest Man on Campus" contest, and the Student Council bookstore, where paperback books are sold.

The Student Council has had many worthwhile projects this year.

Student Council members who discussed student body problems during a workshop were *from left to right first row:* David Stewart, Ann Murphy, Betty Jo Spargo, Janet Hood, Sarah Cascio; *second row:* Doug Hickman, David Hochstetler, Randy Branch, Doug Cookston, Mike Kilcoyne.

Appreciation Day

Representing Freshman homerooms were *from left to right, first row:* Sadie Haddad, Annice Amman, Sharon McKelvey, Debbie Ray; *second row:* Tim Clay, Eddie Langley, James Salisbury, Alan Taylor, Larry Hesdorffer, Steele Eunson, Craig Meek.

Among these projects were the observance of a Teacher Appreciation Day, the election of an outstanding student each month as "Student of the Month," and the sending of several boxes of articles to former Neville students and area men now in Viet Nam. Two Student Council workshops and a student assembly were held to discuss school problems. Delegates from the Council were sent to the Louisiana Association of Student Council Convention at Lafayette and to the Southern Association of Student Councils Convention held in Roanoke, Virginia.

Collateral reading is required in all English classes. One of the moneymaking projects of the Student Council is the paper-back bookstore. Every afternoon Craig Meek provides this service for the student body.

Council representatives from the Sophomore class were *from left to right first row:* Susan Williams, Martha McGough, Sandy Zollinger; *second row:* Bill McSherry, Frank Walker, Nell Martien, Jenny Jackson, and Hughes Abell.

One of the "show-stoppers" during council sponsored talent show was the faculty number. Performing as Dixieland musicians were *from left to right* Mr. Bennie Hixon, Mr. Joe Caskey, students John Spurgeon and Jimmy Bright, and Coach Buck Stewart. Featured on the piano was Mrs. Daisy Daniels.

To finance such projects as the annual senior trip to Florida, the Tigerettes sell birthday calendars and candy each year. The organization of approximately two hundred girls is under the direction of Mr. Bennie Hixon and Mrs. Jane Bogle, sponsor.

President White discussed with Mayor Howard plans for Toni Ketchell Day.

Through another year the Key Club remained worthy of its reputation as one of the most active clubs at Neville. The year was a period of change, since the group enlarged its membership to a total of sixty-one, revised its constitution, and found a new sponsor in Mr. Jesse Bergeron. By the first six months of the school year they had sold football programs, built bookshelves for the cafeteria, participated in city-wide campaigns for the Heart Fund and the March of Dimes drive. They had also placed a suggestion box in the teachers' lounge, repaired the archery targets, placed American flags in many homerooms, and co-sponsored Toni Ketchell Day in Twin Cities.

Leading one of the most serviceable organizations at Neville were *from left to right, first row:* Billy Haddad, Senior Board Member; Bill Caverlee, Sophomore Board Member; Clyde White, President; Jane Sherrouse, Sweetheart; David Hochstetler, Sergeant-at-Arms; *second row,* Andy Marsala, Chaplain; Doug Hickman, Secretary; Doug Cookston, Vice-President; Bob Smith, Treasurer; Mrs. Jesse Bergeron, Sponsor; Mack Barham, Parliamentarian.

Tiger Band pays tribute to

The executive staff of the 1966 Tiger Band included Marilyn Daigle, Dean of Girls; Phil Scharf, Lieutenant; Dickey Robinson, Band Captain; and Joe Walker, Lieutenant.

Chosen as All-State Band members were Gilbert Lee, Jimmy Bright, Dot Rambin, Lawrence Hunnicutt, Phil Scharf, and Marilyn Daigle.

Mary Willey; Uniform Sergeant, and Valeria Fike, Assistant Sergeant, kept the uniforms in good order.

The Neville High School Symphonic Band, an organization founded by Clint Walker in 1929, is a vital factor in the furtherance of school spirit, an element of greatest pride to the student body. After the preschool drill held during the month of August, the band members are ready to participate in the pep assemblies, football games, parades, and various activities throughout the year. The members, representing all classes, must meet high standards of performance before being chosen to become a part of the organization.

Sigma Sigma Society

FOUNDED 1914 BY ERNEST L. NEVILLE

Sigma Sigma Honorary Scholarship Society was founded in 1914 largely through the influence of Ernest L. Neville, whose purpose it was to bring together each year the high scholarship students of the Senior Class. The Society has continued, uninterrupted, to the present day, and presently, it is the only scholarship or honor society at Neville. The charter members of Sigma Sigma were Edwin Marks, Alston Prophet, Virginia Russell, Emma Smith, Beatrice Callman, and William Wunsch, all of the class of 1914. In June of 1921, a special meeting was held to officially organize Sigma Sigma. Wunsch drew up the ritual and Miss Dorothy Schulze designed the pin and emblem. The society thus claimed all Monroe City High School students who had performed three years of work at the school, making a B average (90%) or better in all work and no failures (in semester work.) At the end of three years of work at the City High School a student became eligible for membership. The Sigma Sigma pin and emblem is in the general shape of a cross. The emblem of the crusaders forms the background and is of gold. The face of the pin is jet enamel in which is embedded a single gold star at the top of the cross—the Star of David—and three gold links at the base. On the two arms are gold Sigmas. In the center of the cross is a Grecian lamp of learning, engraved in surface gold. The distribution of these pins was discontinued during World War II when they could not be obtained. The practice of giving Sigma Sigma pins to members has not been renewed to this day. Also, the requirements are different now. They are that a student must have a B (90%) average or better in three-fourths of his subjects and no failures in semester work for membership. The requirement of doing three or more years of work at the City High School for membership in Sigma Sigma has also been dropped. Today, the primary recognition of Sigma Sigma members is the printing of the names in the graduation program and the reading of them during the graduation ceremonies. Sigma Sigma will always remain a lasting symbol of Superior Scholarship at Neville High School.

Neville found growling room scarce in Ruston as they dropped a 27-7 decision to the Bearcats in a game heavily marred by penalities. The Tigers were impressive in yardage, racking up 127 rushing and 56 by air for a game total of 183. In the final minutes of the game, Neville began the drive which resulted in the lone Tiger tally. Tim Allen and Fred Amman teamed up to move the ball to Ruston's fifteen. Doug Cookston arched a pass to Skipper Riley on the three. On a first and goal situation, Cookston plunged over for the touchdown. Monty Moncrief kicked the extra point with 1:41 to go in the game.

The Neville Tigers, behind the steady running of Fred Amman and the expert signal calling of Doug Cookston, spoiled the Bossier Bearcats' homecoming with a 20-0 District 1-AAA victory. The Tigers began their scoring late in the first quarter. Amman and Mike Kilcoyne provided the punch which gave the Tigers the necessary yardage for victory. Quarterback Cookston scored one touchdown on a ten yard run in the fourth period. Neville put the game out of reach with 2:26 left in the last quarter. With the help of a pass from Tom Brown to Kilcoyne and a 27 yard sprint by Monty Moncrief, Amman dashed seven yards to the end zone.

The Tigers' dedication to Past Monroe School Board President (J. H. Slim) Scogin was made complete with a 13-6 victory over Byrd. Neville tallied in the second and third quarters while holding the Jackets to a lone marker late in the first half. This score upped the Tigers 3-1 in conference play, which puts them deep into the race for the league title. The first Tiger touchdown was set up by a 40-yard punt return by quarterback Doug Cookston. Seven plays later Cookston scampered around right end for three yards and the touchdown. Monty Moncrief booted the extra point to boost the lead to 7-0 with 6:21 remaining in the second quarter. The second Tiger touchdown came on a 5-yard pass from Cookston to Fred Amman, capping a 33-yard drive after guard Steve Smith fell on a Byrd fumble. Byrd scored their lone touchdown on a 50-yard run with 16 seconds remaining in the first half. Neville completely dominated the game on statistics. The Tigers romped for 13 first downs to 5 for Byrd. On the ground Neville had 226 yards to 69 for the Jackets. Leading Tiger rushers were Tim Allen with 79 yards, Fred Amman with 57, and David Chennault 49. Outstanding on defense were Steve Gilchrist, Mike Clay, and Steve Smith.

Junior David Hochstetler deflects a Woodlawn pass.

In a steady drizzle the Tigers faced the Woodlawn Knights in one of the most exciting games that many fans can recollect. Woodlawn held a 6-0 halftime lead after a third deep penetration ended in paydirt. After intermission Neville captured the lead with a 72 yard punt return by Lenny Heimgartner and an extra point kick by Monty Moncrief.

Playing expertly the teams exchanged the ball nine times. Monty made a touchdown which would have won the game eventually, but was called back because of an offsides. Woodlawn received the ball with 1:12 to go in the game. On the first play they moved to the Tiger fifteen. On the fourth down play with 17 seconds left, the Knights kicked a field goal to squeeze by with a 9-7 victory.

A crowd of nearly 8,000 watched Neville and Ouachita battle to a 0-0 deadlock in a high-pitched 1-AAA contest. The Tigers struggled for ten first downs to eight for the Lions. Following bursts by Keith Gunn, Tim Allen, and Doug Cookston, the Tigers picked up three first downs before the game was two minutes old. Fred Amman led all rushers with 86 yards on thirteen carries as Neville picked up 228 yards on the ground. Ouachita ended with a net seven yards rushing. Late in the first half Tiger Murray Salinas ruined the Lions' only penetration by pouncing on a fumble on a third down play on the seven yard line.

Combining a torrid defense with a crackling offense, the Tigers routed the West Monroe Rebels 26-0 in the last 1-AAA battle of the 1965 season. At halftime Neville had a 7-0 lead after a touchdown by Keith Gunn and PAT by Monty Moncrief. In the third period halfback Fred Amman hit paydirt. Getting the ball again at its 23, Neville started a drive that resulted in the third score. With one second left in the quarter, Moncrief dashed ninteen yards for a touchdown and then kicked for the extra point. Fourteen seconds later Steve Smith realized a lineman's dream. When the ball bounced loose from a Rebel's hands, Smith grabbed it and scampered 25 yards for the last touchdown. It was all Neville's ballgame as the Tigers gained a total offense of 295 yards.

Cheerleader gimmicks rouse spirit

Gayle Crawley booms out with a "Tremendous T!"

Most Neville girls dream of serving the student body as a cheerleader. In Spring 1965 Sarah Cascio, Gayle Crawley, Sherry Dickenhorst, Janet Hood, Jayne Sherrouse, and Judy White had their dreams come true. After winning first place at cheerleader camp, the six came home bursting with ideas. Using such gimmicks as "Round Up the Rams," they spread their "110% Tiger spirit" to the students, faculty, and the football, basketball, and baseball teams. Sponsored by Miss Jane Whittington, these girls worked twelve months to fulfill their duties and everyone's expectations. With their never-ceasing energy and enthusiasm, the cheerleaders are an integral part of Neville.

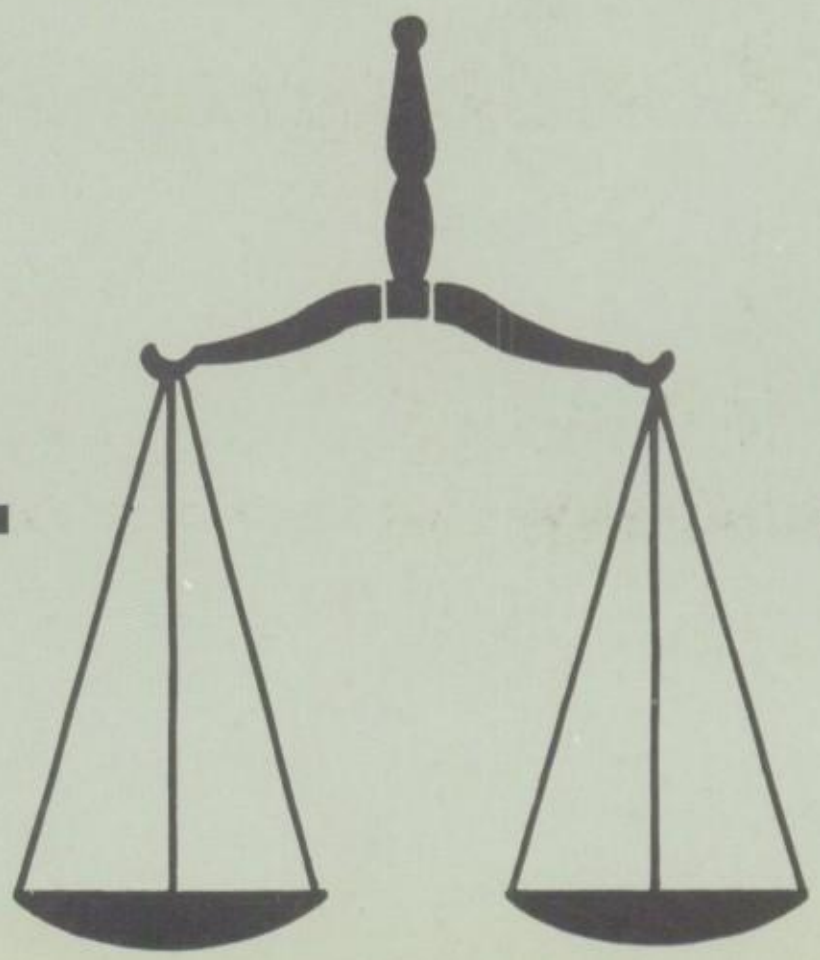
SPRING



"Let's Turn Back the Clock"

A solemn ceremony initiates new Tigerettes, Vickie Faulkenberry and Kathy Folds.

Sharon West thanks Mr. Caskey for his hard work with the Tigerettes.

sets theme for Tigerette banquet

Brenda Carso presents Donna Spargo with the official Senior Commander whistle.

Old and new Tigerettes alike enjoyed another successful banquet. The banquet was held at the Paragon Club, where Tiger Cubs entertained the old Tigerettes with original songs and skits. After the Tigerettes ate a delicious meal, the new officers were installed. Following an initiation ceremony for the Tiger Cubs, all bid farewell to the Seniors.

Coach Ruple stresses a point to inspire Tigerettes to assume a new role in school activities.

Jay Eppinette receives Most Improved Player Award from Coach Hollis.

All-District player J. Dodd Brooks receives Most Valuable Player Award.

Presentations were made to Susie McBride and Brenda Carso for Outstanding Service to Tigerettes and Neville.

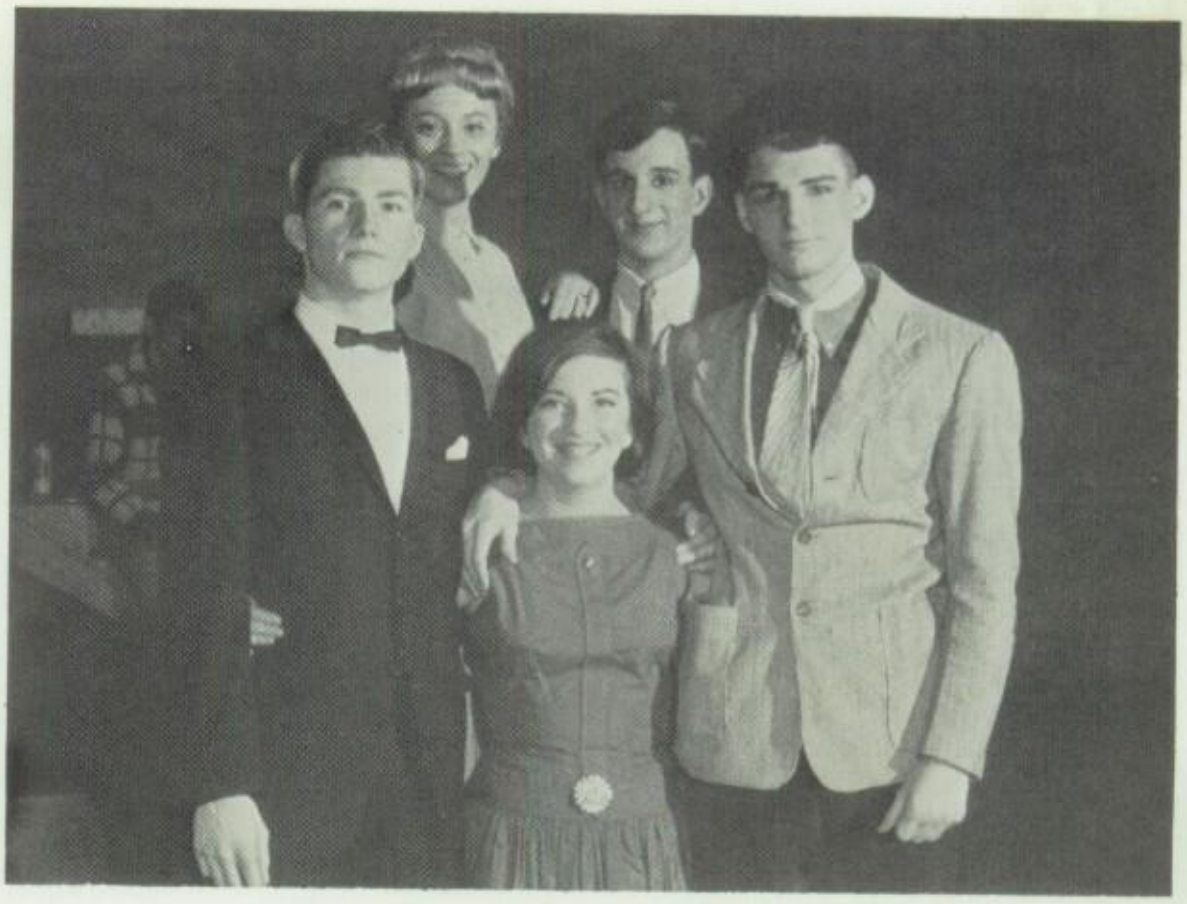
Climaxing a most successful basketball season was the annual awards banquet sponsored by the coaches. Receiving awards were the following Tigers: Most Valuable Player, J. Dodd Brooks; Defensive Award, Bill Dunn; Coaches' Award, Bill Dunn; Most Improved Player, Jay Eppinette; Scholastic Award, Johnny Clay; Sportsmanship Award, Mack Marsh; Free-Throw Percentage, David Baker.

awards climaxes school year

At the end of the school year Neville held its annual Awards Day, honoring students with outstanding school achievements and citizenship. President Clyde White presented Jean Carter with the Key Club Service Award.

Spring activities highlighted

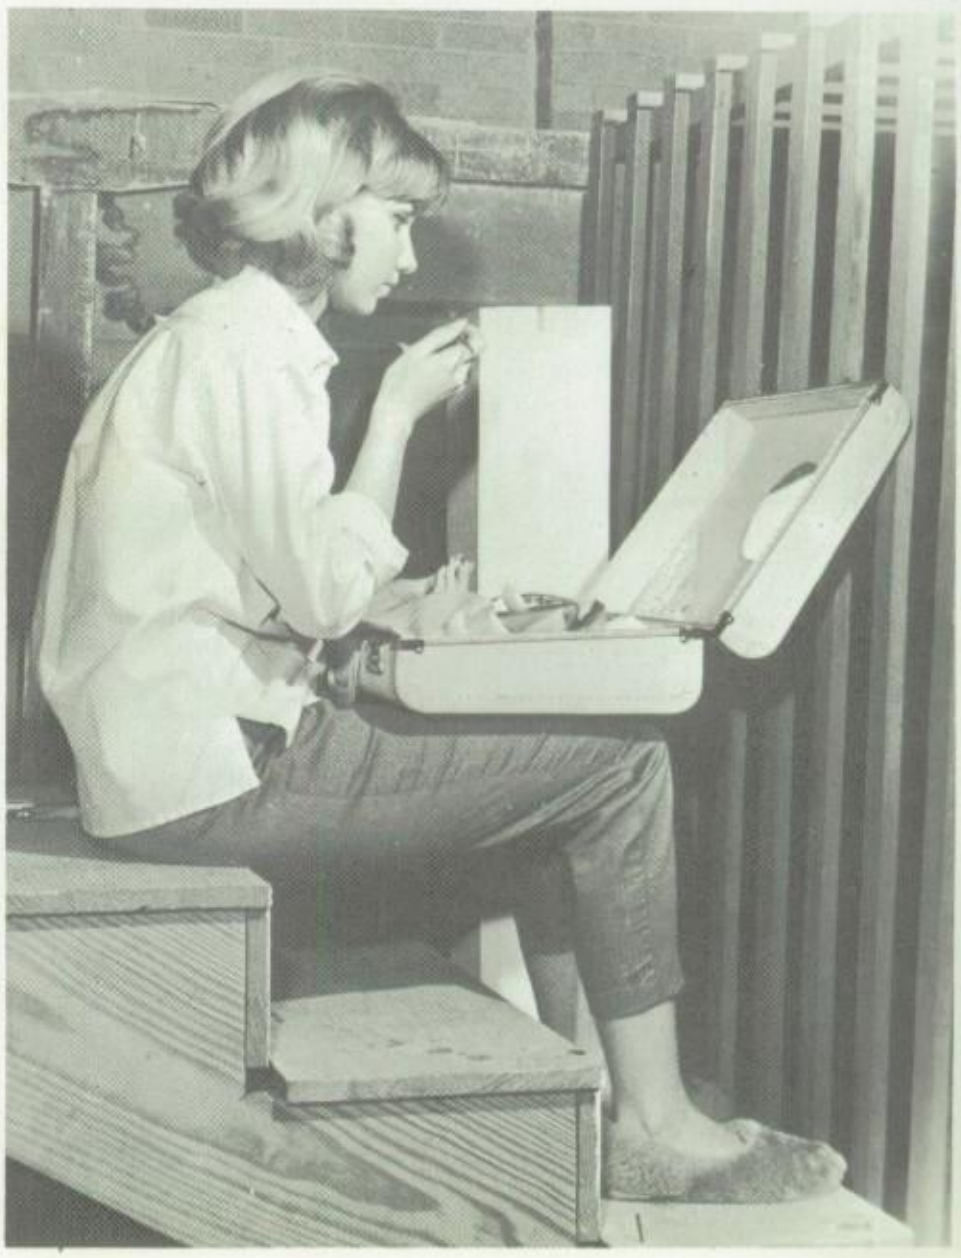
Making-up Peggy Windham to look like a child, a student teacher from NLSC also transformed several cast members into "grandfathers."



Cast members for "Professor, How Could You!" included *from left to right, front row:* Charles Walker, Liz Folds, Jamie Martien; *back row:* Ann Brinson, and Jimmy Popham.

The 1965 all-school play, entitled "Professor, How Could You!" was a three-act comedy dealing with the amorous antics of a timid college professor. Included in the cast were Keats Perry, David Burkett; Vicky Randolph, Peggy Marx; Grandma Perry, Ann Brinson; Grandpa Perry, Jimmy Rogers; John Appleby, Jimmy Popham; Priscilla Morley, Amy Fall; Tootsie Bean, Liz Folds; Butcher Boy Bean, Jamie Martien; Valerie Whitman, Brenda Crow; Boggins, Charles Walker; Children, Peggy Windham, Ginger Lee, and Mitch Blanchard. Faculty directors were Mrs. Rita Blanchard and Jerry R. Lee.

Portraying Valerie Whitman in the play was Brenda Crow.



by plays

The Neville Latin Club hosted the 13th annual Louisiana Junior Classical League Convention, March 19 and 20, 1965. The theme, "Respice, Aspice, Prospice," means "Look to the Past, Look to the Present, Look to the Future." The first general session and costume, oration, and mythology contests were held opening day. After the banquet that night, the local club presented a play. "The Haunted House," by Plautus, translated by Mrs. Crawley and directed by Mr. Popham. A toga hop concluded the first day of the convention. The election of new state officers and the announcement of contest winners climaxed the final day's activities. Latin scholar Will Reardon was elected president of the state organization for 1965-66.

Welcoming delegates from all over the state were Margaret Miles, Teresa Langley, and Susan Stone.

Participating in the local chapter's interpretation of "The Haunted House" were Susan Martin, Susan Stone, Dee Strickland, and David Stanhope.

FHA ends year with Daddy-date

The fathers of FHA members became their daughters' dates for the group's annual Daddy-Date night.

Receiving the chapter's award as the Most Outstanding Member was Donna Porter.

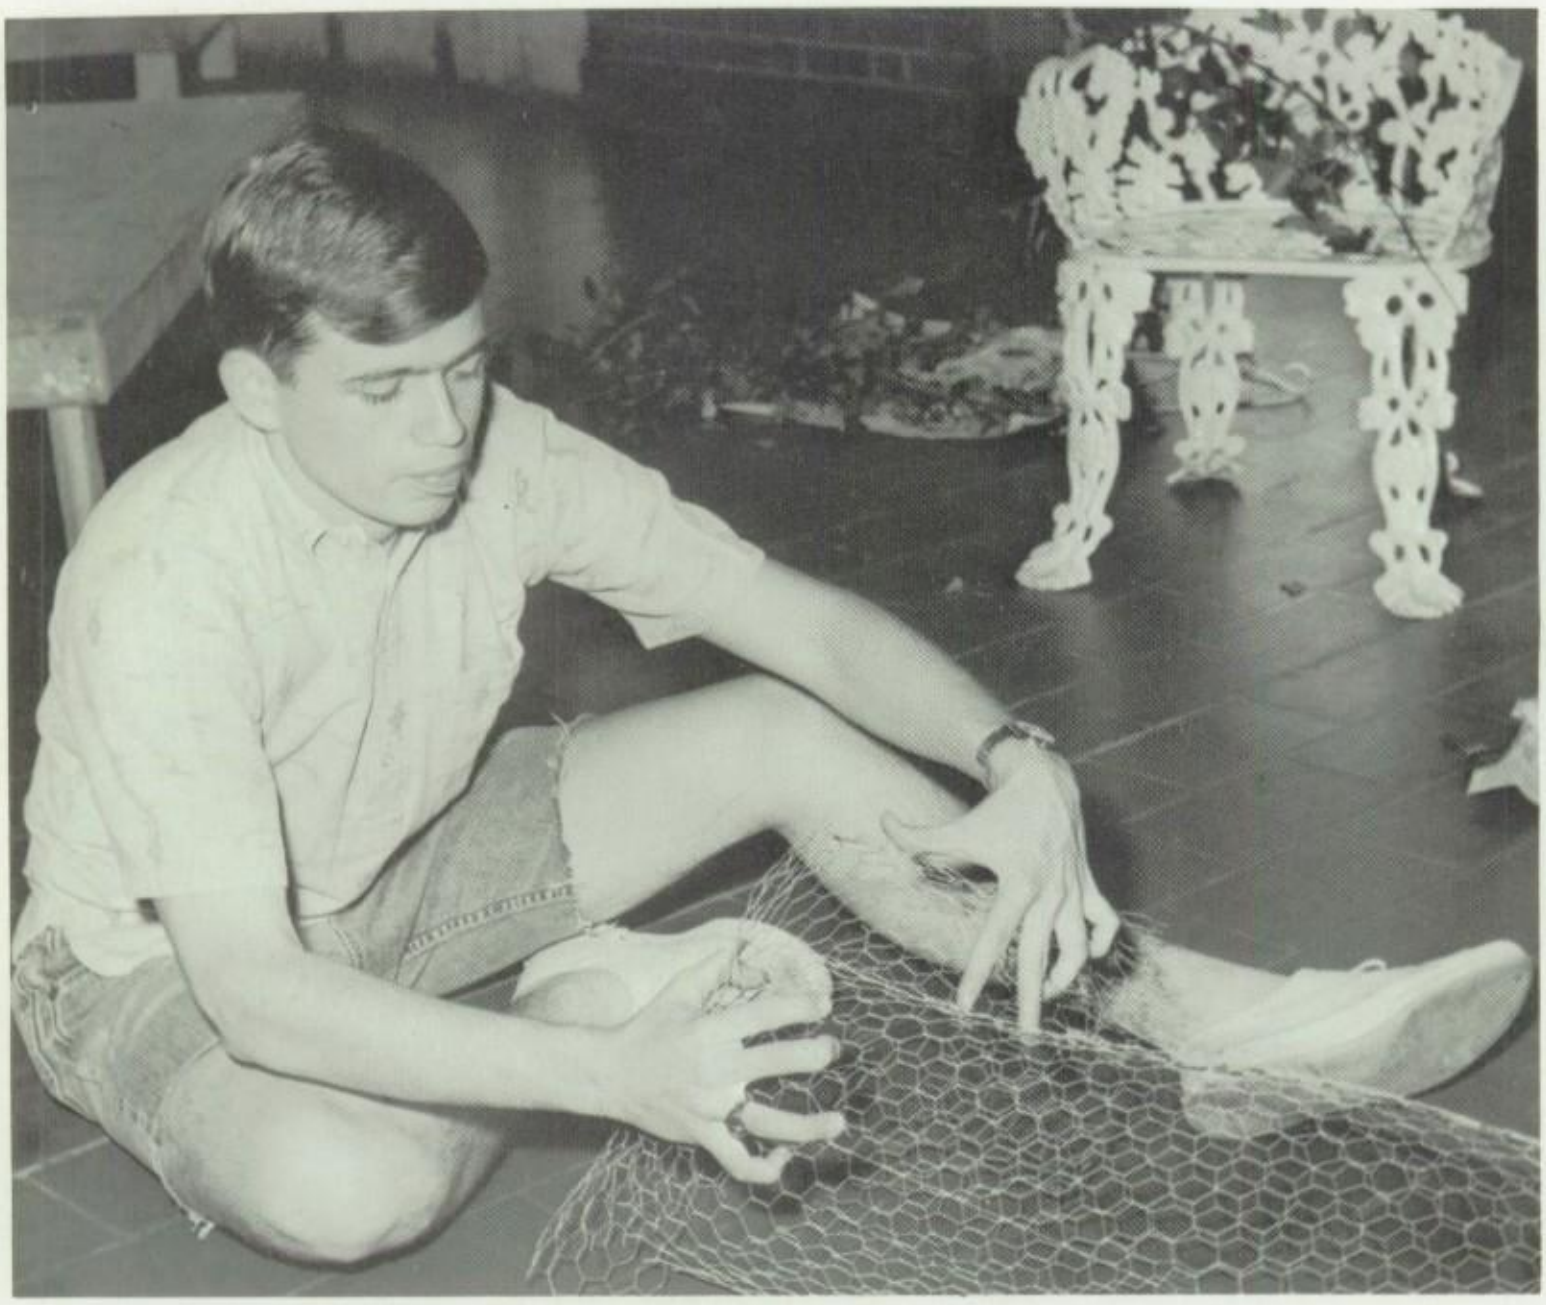
Night and Mother-Daughter Banquet

Held amidst a setting of red roses, the flower of the Future Homemakers of America, the local organization's banquet was highlighted by a meal prepared by the members themselves. State officer Sue Parsons entertained the girls and their mothers, who were special guests, with a speech entitled "What FHA Can Mean to You." Newly elected officers to serve during the 1965-66 school session were installed, and awards for outstanding contributions to the club and to Home Economics were also presented. Recognized were the Betty Crocker Homemaker of Tomorrow, Sue Parsons; Outstanding Home Economics Student, Harriet Lowrey; and Outstanding FHA member, Donna Porter.

Sharing her experiences in FHA with the members was Sue Parsons.

Incoming officer Cindy McDonough presented Harriet Lowrey with the Outstanding Home Economics student award.

Two weeks of "senior privileges" means new



Preparing for a night of gaiety in old New Orleans, Frederick Lutz transforms chicken wire into a Southern garden setting for the Junior-Senior prom.

The Class Day assembly held by the 1965 seniors gave the juniors their first opportunity to "march down the aisle."

Experiencing the thrill of being in Tigerland are Jayne Wilbert, Alan Williams, Denise Duncan, and Charles Jones.

responsibilities for Class of 1966

Receiving the tiny megaphone, which all cheerleaders wear, in the traditional ceremony is Sarah Cascio. The other candidates showing their support are Susie Hines and Denise Duncan.

The approach of the so-called two weeks of "senior privileges" signals not only the departure of one group of students but the assumption of their responsibilities by the members of the junior class. Elections dominate the functions of the clubs and organizations in the Spring as the student body decides upon its varsity cheerleaders, student council officers, and other future leaders. The process of becoming a senior is climaxed by receiving class rings and marching down the auditorium aisle during Class Day assembly.

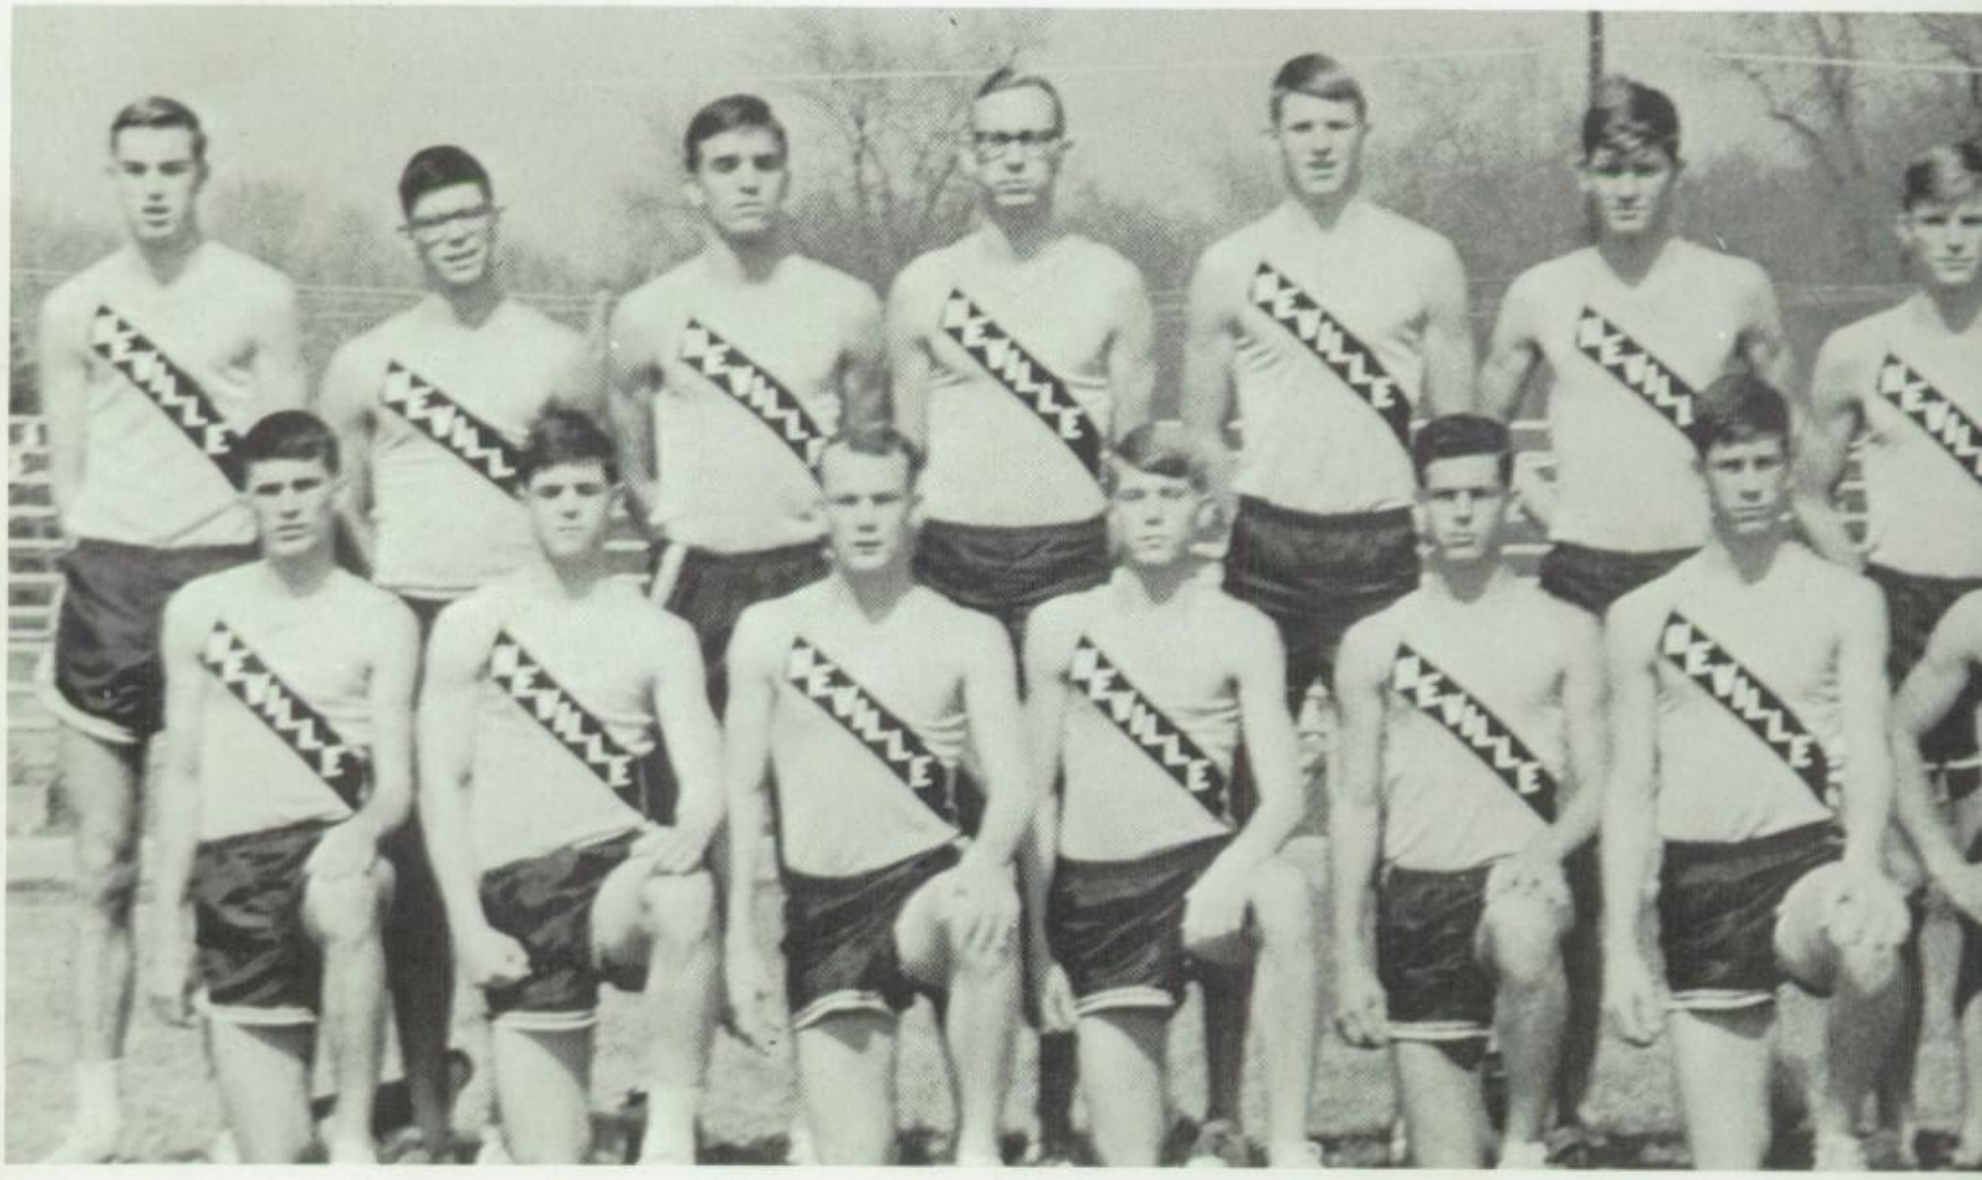
A portion of the Class Day assembly is devoted to the Prophecy read for the 1965 seniors by Janet Vanderpool and Al McDuff.

Not knowing that she also has been selected a cheerleader, Judy White applauds the election of Gayle Crawley.

Distance runners for the 1965 edition of the Tiger cindermen were Vernon Houston and David Hochstetler. Each man set a new school record: Houston, in the mile (4:42.0), and Hochstetler in the 880 run (2:04.4).

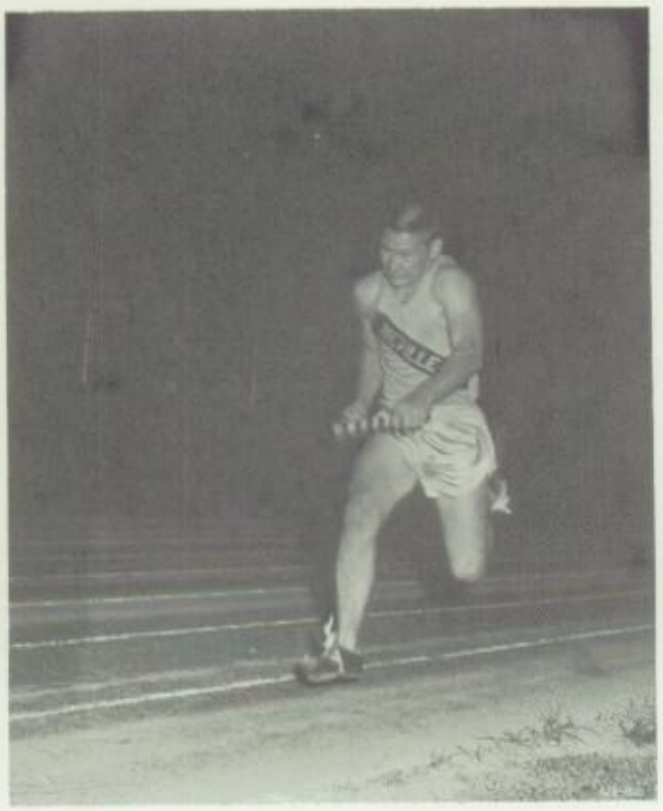
Hochstetler and

Six records were broken and three tied as West Monroe barely took home the Twin Cities Relays Trophy by outscoring Neville 90-85 in a nip-and-tuck battle. The Tigers' David Baker won the high jump with a leap of 5' 10 1/8" to cut the old mark by more than an inch, and then came back to break his own record set last year in the triple jump with a 41' 4½" effort. Ronnie Clark upped the pole vault standard by one inch when he cleared the bar at 13' 7" and took three tries at cracking the state mark at a height of 13' 10". Also gaining two victories was Jimmy O'Neal who tied the meet mark of 10' 1" and later tied the 220 dash mark. O'Neal was clocked at 22.5 in the 220 with West Monroe's Chip Thompson finishing second to the Tiger speedster in both races. The Tigers also won the 440 relay, the high hurdles, and the 880 relay.



Members of the 1965 track team were *from left to right, front row:* Vernon Houston, Doug Cookston, Jimmy O'Neal, Kenny Brazzel, Jimmy Kokinos, Bill Garfield, Ronnie Clark, Jimmy Faucett, and Doug McFadden; *back row:* Johnny Hines, Larry Mullens, Kenny Cobb, David Baker, J. Dodd Brooks, David Stanhope, Wayne Taylor, Mike Kilcoyne, and Jimmy Greenlee.

Houston set new school records



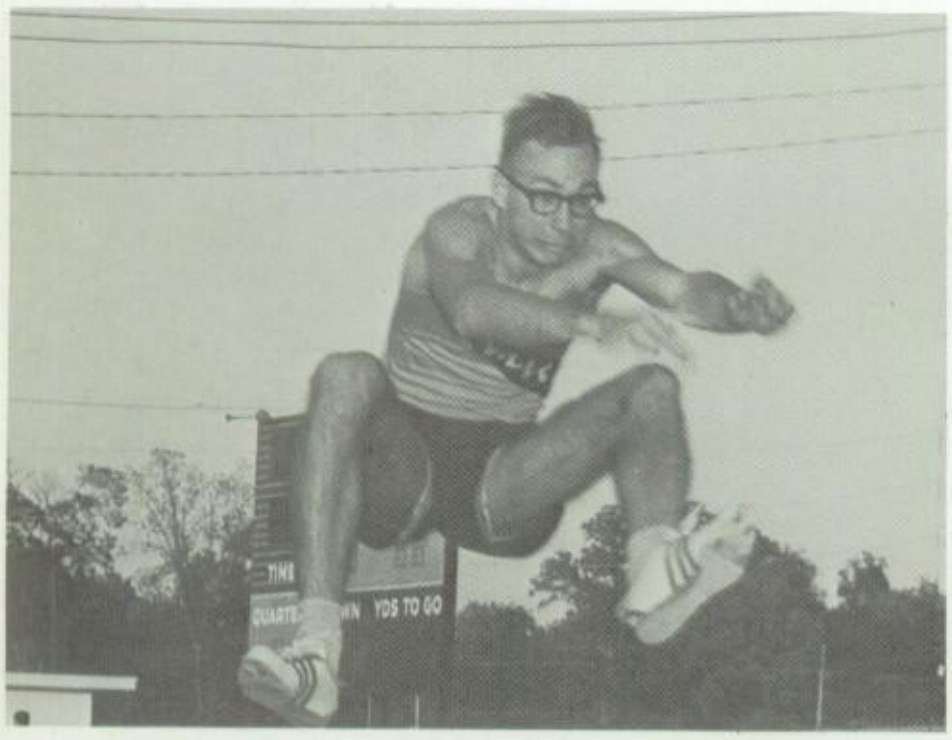
Anchoring the 440 yd. relay during the Twin City meet was David Stewart.

Described by Coach Stewart as "the most improved boy on the squad." J. Dodd Brooks competed in the 120 High Hurdles, the 180 Low Hurdles, the 440 Relays, and the 880 Relays.

Tigers

Racing for the finish line during the Twin City meet, Bill Garfield anchored the Tiger mile relay team.

Members of the Neville Relays court were *from left to right, front row:* Brenda Carso; Jayne Sherrouse, Queen; and Melinda Ma-



Making the jump with which he set a new meet record in the Twin City Relays was David Baker. His record in the triple jump stands at 41' 4½".

The Neville Tigers, hosting the 5th Annual Neville Relays, walked away from a six-team field winning their third meet title.

Neville combined the speed of its relay teams and a surprising strong showing on the field to win seven events and compile 87 points in nosing two-year defending meet champion West Monroe, which came in second with 67 points.

Neville's 880 relay team, which set a new standard of 1:29.6 for the meet, was awarded the trophy for Outstanding Relay Team. Composing this team were: Bill Garfield, Ken Brazzel, J. Dodd Brooks, and Jimmy O'Neal. The Tigers also won the 440 relay event, replacing Garfield with Doug Cookston, setting a new meet time of 43.3.

Other Tiger running event firsts came in the 100 and 220 sprints with Jimmy O'Neal claiming both events. He stepped off a 22.7 in the 220-yard dash.

Neville was shining at its best. David Baker became another Tiger double-winner as he cleared 5' 9½" to win the high jump and leaped 41' 5¾" to win the triple jump. Vaulter Ronnie Clark picked up the other 5 point finish for the Bengals when he cleared the bar at 13 feet.

Seven of the afternoon's performances were new records for the meet, while another tied an existing record. The meet began with West Monroe and Neville heads up after nine events with 33 points each, but Neville went ahead in the next 2 events, the high jump and 440-yard relay, and the Rebels trailed the remainder of the afternoon.
